

Checklist: What to Do After Closing

Within the First 30 Days

- ☐ File for your homestead exemption (if this is your primary residence)
- ☐ Confirm your property is listed in your name by checking with the [Harris County Appraisal District](#)
- ☐ Set up or transfer utilities (electricity, water, gas, trash)
- ☐ Update your address with USPS, employer, bank, and insurance providers
- ☐ Store your closing documents in a safe place (physical and digital copies)

Protect Your Property + Finances

- ☐ Review your homeowners insurance coverage
- ☐ Set calendar reminders for property tax deadlines
- ☐ Be cautious of official-looking mail asking for fees or selling you additional services

Plan for the Future

- ☐ Consider filing a Transfer on Death Deed (TODD) so your home passes smoothly to a chosen heir
- ☐ Update or create a will if you prefer to pass your property down through the probate process
- ☐ Keep records of repairs and improvements for future resale or tax purposes

If You Need Help

- ☐ Connect with a housing counselor if you have questions about taxes or insurance
- ☐ Explore home repair assistance programs if needed
- ☐ Seek out a housing counselor if you fall behind on making your mortgage payments or receive foreclosure notices
- ☐ Seek out legal aid if any other legal issues pertaining to your property come up after closing
